

CARACTERÍSTICAS TÉCNICAS TECHNICAL CHARACTERISTICS

▼ El kit de fuente Plug and Play permite tener una fuente completa de pequeñas dimensiones instalada en tu jardín.

Combina confort, diseño y eficiencia energética en un producto muy fácil y rápido de instalar.

Viene 10 metros de cable, una tobera e iluminación RGB multicolor incluida. La tobera se puede reemplazar por cualquier otra compatible con el kit plug and play, con la finalidad de personalizar la fuente.

El LED RGB de alta eficiencia con secuencias de color incorporadas, transmite luminosidad al estanque.

La altura del surtidor es ajustable hasta 3,5 metros, según la tobera instalada.

The Plug and Play fountain kit let you have a small complete fountain into your garden.

It combines comfort, design and energy efficiency in a easy and quick product to install.

It comes with 10 meter cable, a nozzle and a multicolor RGB light included. The nozzle can be replaced by any other nozzle of our plug and play series to configure the fountain to your preference.

The highly efficient RGB LED with color changing sequence brings color into the pond.

The jet height is adjustable up to 3.5 meters, according to the installed nozzle.

PLUG AND PLAY FOUNTAIN KIT
