

# The expert's choice

AstralPool's Pulit Advance + cleaners are robust, reliable and efficient. Top-of-the-range cleaners with Gyro technology, three-dimensional filters and two dual drive motors are features that make it the expert's choice

**PULIT ADVANCE 5**  
63176

## Gyro technology

This smart navigation system will ensure your pool is thoroughly cleaned every time. It avoids all types of obstacles and has a tangle-free power cable.

### Three-dimensional filters

They come with a new ultrafine 3D filter as a standard feature.

### LED indicator

The LED indicator shows when the filter is full.

### Easy open

The filters are easy to reach from the top of the cleaner.

### Clean hands

There is no need to come into contact with the dirt to clean the filter.

### PVA brushes

The best quality for a better grip.

### Extra powerful brush

The extra powerful brush even cleans the joints between the pool shell's tiles.

### Vibrating brush

An extra powerful brush for a deeper clean.

### Adjustable suction nozzles

Maximum suction..
