

## iQPUMP

CONNECTED PUMP  
FOR INTUITIVE  
CONTROL FROM  
YOUR SMARTPHONE

### 1 REMOTE CONTROL ANYWHERE, ANYTIME

The FloPro™ VS can be controlled from your smartphone using the iAquaLink™ application: start, stop and **program your pump at any time with no need to go into the technical room.**

### 2 EASY CONFIGURATION

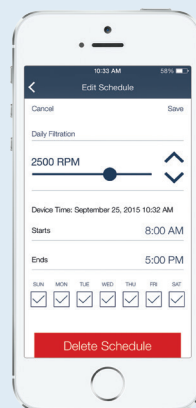

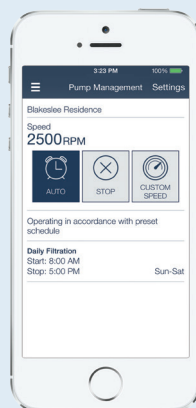

Access your pump and **set the speed and operating time slots** you would like, even **without Internet access** (Wi-Fi direct mode).

### 3 MAXIMIZED ENERGY EFFICIENCY

You can set the FloPro™ VS pump to **adjust energy consumption in line with the pool's needs** (low speeds, off-peak start up, etc.)

iQPUMP IS A DEVICE THAT MAKES IT EASY  
TO CONNECT THE FloPro™ VS PUMP TO A  
SMARTPHONE.

## NEW FOR 2017

- Exclusive unit that makes it easy to connect the FloPro™ VS pump to a smartphone.
